

MOORESVILLE COMMUNITY CHILDREN'S THEATRE

Event Registration FORM

(Please print neatly and complete all sections.)

Participation Fee:

Most events including workshops and shows require a participation fee that covers the costs for the event/show: script/CD materials, costumes, acting and vocal coaching/instruction, etc. This is **non-refundable**. Scholarships are available, and forms are on the website. The completed form should be submitted to Board Member at the Parent Information/Orientation meeting.

Withdrawal:

If your actor decides to withdraw from an event for whatever reason, you must submit the withdrawal statement in writing to the Stage Manager or event organizer. Please note that declining a role or withdrawing from an event or show should be done before the first rehearsal. In the event of shows we have a waiting list of actors that were not offered a role that we would like to contact as soon as possible. We encourage strong commitment to full participation. All show materials (script/music CD/etc) must be returned within three (3) business days to the Stage Manager, however the **participation fee is non-refundable**.

Note that declining a role or withdrawing from a show will not impact future casting. We understand that many of our actors are active in several shows/productions and have to be honest with themselves and their time commitments.
